DATE: May 15, 2019
TO: Darby Borough Council
FROM: Eileen W. Mulvena, P.E.
RE: Engineer's Report Thru May 15, 2019

FY 2017 CDBG – Development of the soccer field

The Contractor is scheduled to start in May or June.

10 Quarry Street

Ground stabilization information was sent to owner.

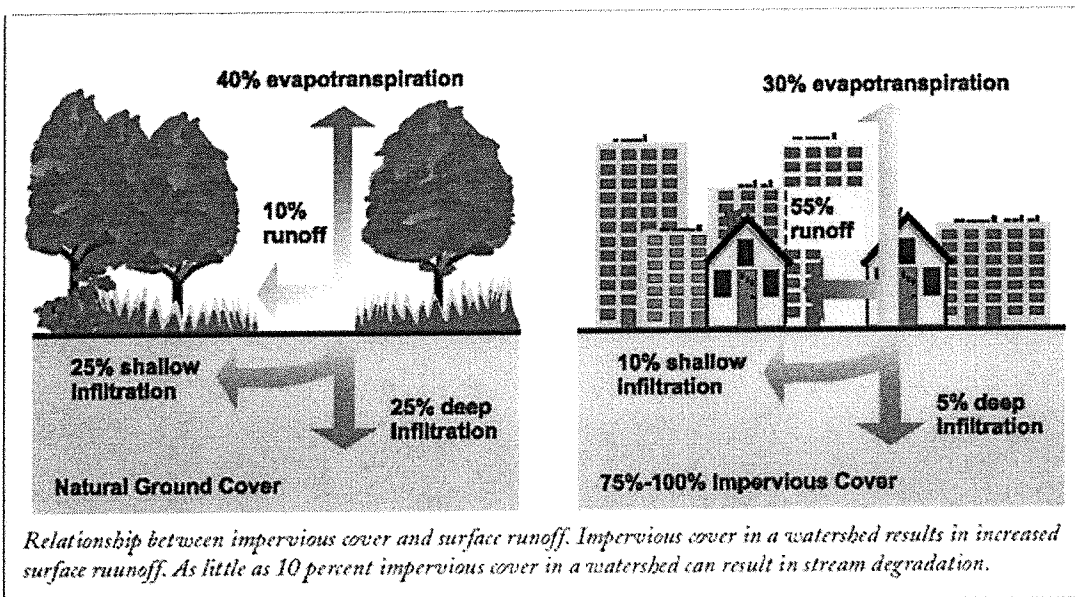

Liquid Fuels

We are working on completing the MS999 (final) for the Pothole project completed in December. We are in need of a copy of a canceled check. **If this is not paid in a reasonable time, PennDOT may disallow the cost, and the Borough will have to reimburse the Liquid Fuels account.**

MS4 Separate Storm Sewer Permit

Has the Borough adopted the PRP agreement? The new NPDES permit will not be issued until the PRP agreement has been signed and forwarded to the DEP. Please note the EDCSC is looking for the Borough's annual membership payment.

Mayor's Report

The Darby Borough Police Department as always, is doing an excellent job in combating the crime in the Borough, and is working diligently to keep our Borough safe.

First I would like to address the positive feedback I've been receiving about the Police Department. We appreciate each and every resident and will continue to do our best to combat crime.

With Summer approaching, I would like to briefly discuss two things. First, please stop leaving cars running, windows down, and doors unlocked. The Police Department would like to prevent as many auto thefts as possible so let's not make it easier for the crime to be committed. Second, the last day of school is near so I ask that everyone be mindful of the children at play.

Also, we are accepting applications for school crossing guards and department turnkeys. If you know someone that's interested, send them to the Darby Borough Police Department for an application.

Always remember: "Controlling people's lives is not a leader's trait, but understanding the people's needs that God considers great!"

April Chief's Report

Dear Mr. President, Board of Directors, and General Membership,

During the month of April the company remained busy with calls for service, totaling 60 including 1 working fire in Colwyn Borough.

On April 14th, Darby Fire Company #1 and Mutual Aid Companies responded to the 300 Block of S. 4th for the reported building fire. Engine 4 arrived on scene with a crew of 6 to find a porch on fire with fire extending into the 2nd and 3rd floor interior walls, after roofers were making repairs and replacements. Crew's remained on scene for fire suppression and over haul. Crew's were in service for approximately 1 hour. There was no injuries to note at this incident.

The Pipeline is still awaiting completion on the pump issues by Halo, they're waiting for the proper tools to come in from Waterous, the overheating issue was deemed to be the impellers. They will be replaced as soon as they arrive at HALO.

Annual physicals were performed on 4/25 and 4/27 with no problem. Members who were not able to make the dates or did not meet the call total have been allotted until the end of May to turn in a note stating they've received a physical and are capable of performing all duties of a firefighter with no restrictions.

S.A.F.E.R grant, please continue to take shifts and get your availability to Dan Traband before the 15th of each month! Its important we cover these shifts a Thank you to the members who've been signing up to staff the apparatus, its very much appreciated!!

Respectfully Submitted,

Vincent J. Lanni
Fire Chief
Darby Fire Co. #1

Be safe and lookout for each other!

Because I am in California at a family wedding, I will be unable to make my report to Council in person on Wednesday May 15. Staying in the circa 1869 Cosmopolitan Hotel in Old Town San Diego, it is interesting to see how communities can use their history and heritage for their benefit. With imagination, planning, and courage, Darby Borough could do the same. With important history going back before William Penn, strategic location, and a transportation system connecting us to the world, we could work together toward positive common goals, and there is literally nothing we could not achieve.

As a reminder, for the past several years the Center for Historical Architecture and Design (CHAD) of the University of Maryland has sent students from their Masters Degree program to do research on buildings in Darby. That research will be part of the Vernacular Architectural Forum taking place in Philadelphia this year and will include a tour of historic sites in and around Darby on May 30. If anyone would like to help welcome our guests, please contact me.

On another note, Woodburne Mansion on Springfield Road is still standing but it is not clear for how much longer. It is one of the assets that could benefit Darby but would also require courage, planning and imagination. For further information please contact me.

Finally, the fifteenth annual OcTrolleyFest, Celebration of Transportation Heritage and Community will roll again this year on Saturday, October 12. This is the Year of the Mill in Delaware County and emphasis will be on Darby's mill heritage including the site of Pennsylvania's first water powered mill built by Swedish Governor Printz in 1645, the millrace "dugged through Blunston's Meadow" before 1695, and the sites of the Griswold and Verlinden woolen mills celebrated in the song "The Darby Ram."

I am glad to be of service to Darby as Chair of the Darby Borough Historical Commission and, as always, I can be contacted for additional information.
